Who We Are

1

Banco BOCOM BBM stems from two financial institutions with long histories in China and in Brazil. The convergent values of Bank of Communications and BBM are reflected in our ethics of valuing people and encouraging the pursuit of knowledge capable of generating intellectual and material development.

We rely on dynamism and transparency in our relationships with clients in order to obtain results. We are committed to diversity and inclusion, free from prejudice, and to social and environmental responsibility in the places where we operate and the products we offer.

We offer financial services and lines of credit for companies established in Brazil and abroad. In managing the assets of individual clients, we apply personalized solutions aligned with best practices.

Through BOCOM BBM Asset Management, we offer investment funds and the advantage of our expertise in quantitative risk, macroeconomic research, and credit analysis and monitoring.

Tradition and Solidity

BOCOM BBM stems from one of the largest and oldest banks in China and the oldest private financial group in Brazil.

Transparency in Transactions

Transparency in selecting the best products and services available on the market, with high governance standards: this is what distinguishes the advisory services we offer to our clients in accordance with each profile.

Excellence in Risk Control

We have a long tradition of excellence in risk management. In the past 20 years we have invested in continuous development of proprietary risk management methodologies, always at the cutting edge of the industry.

Highly Qualified Staff

Banco BOCOM BBM is a hub for identifying and training talented people. We place a high value on the systematic pursuit of advanced knowledge and prioritize people who add value to the organization in the course of their professional development.

Agility in Decision Making

We have a sound and transparent governance framework. Our executives are deeply committed to the activities affected by their decisions in the short and long term, and have the expertise to minimize any conflicts of interest between business units, executives and shareholders.

Flexibility to Meet Clients' Needs

With a team of trained and certified professionals, we seek personalized solutions to meet clients' requirements, which go beyond financial portfolio management and include succession and family planning.
